*“ . . . I have been so blessed by this scholarship that has helped alleviate the worry of working and going to class while on dialysis . . . “*

### **EDUCATION & CAREER GOALS**

Chelsea is studying Human Development and Family Studies (HDFS) at Colorado State University, where she maintains a 3.75 GPA and has been on the Dean’s List for 2 semesters.

Chelsea hopes to complete her undergraduate degree and then continue to the Master’s program for prevention science to work with adolescents.

### **A MESSAGE FROM CHELSEA**

“I am so thankful for this scholarship because it has allowed me to stay in school while managing my treatments. I never thought I would be able to be as involved and dedicated to school as I have been while on dialysis, but it is the generosity of organizations like *DSF* that make this possible. Words can’t express my gratitude, but from the bottom of my heart, thank you.”
