A MESSAGE FROM CONRAD

Greetings Ladies and Gentlemen and the Dialysis Scholarship Fund:

I can't thank you enough for picking me as one of the recipients of your First Annual Dialysis Scholarship Fund. I consider this a privilege and an honor from an organization I first heard about from a Social Worker at the Davita Dialysis Unit. I read the story of how Mr. John put together this organization in a mission of love for dialysis patients all over the United States who have a desire to succeed in their education. This is a first for me, that a person would think enough of others to help with finances for someone with renal issues. Because of Mr. John's generosity, three others and I will receive scholarships to help us in our endeavor of higher education and I would like to thank him for having faith in me and being an added inspiration for me. Sincerely, Conrad
