

ELIZABETH

“I want to thank DSF for this honor. It has helped me so much and I was able to make the Honor Roll!”

EDUCATION AND CAREER GOALS

Elizabeth is currently enrolled at Washburn University in Topeka, Kansas. She is studying for a Master's Degree in Biochemistry, with the hope of becoming a Nutritionist. She wants to ease patient worries and help them cope with the transition to a renal diet while on dialysis.

MEDICAL HISTORY

Elizabeth has been on dialysis for approximately two years.

HOBBIES AND INTERESTS

Elizabeth enjoys working with others through art and cooking and helping them focus on positive things they can change . . . not the negatives that are not worth worrying about.
