

IVY

EDUCATION & CAREER GOALS

Ivy is enrolled in Our Lady of the Lake University. He recently received his Bachelor's Degree in Business Administration and is currently enrolled in the MBA program, maintaining a minimum 3.0 GPA.

While in high school, Ivy worked in various facets of supply, fleet management, shipping and receiving. He plans to teach logistics in the local community college and knows his practical experience will translate well to the classroom.

A MESSAGE FROM IVY

"End stage renal failure has simultaneously made me both humble and powerful and want to excel in all areas of my life in which I have control. It is truly an awesome gift that *DSF* has provided and I have learned to "Make Downtime, Uptime" by pursuing my college education. I am the manifestation of what can happen when one refuses to allow kidney failure to take the joy from life. I credit my mother for being an example of hard work and diligence."

"When you cannot see God's hand moving, trust His heart."
